# ARTISAN RANGE

Finest recipes deserve premium packaging.

Whatever the market sector or the packaging requirement, glass containers have always had an enduring appeal and, since 1906, Pont has been a market leading specialist in high quality glass packaging.

Today, Pont's products have extended beyond glass to include plastic and stoneware designs and it now offers a comprehensive and unrivalled range of bottles, jars and containers in every shape and size. Based on our innovative product sourcing and excellent customer

service, we have developed long term business relationships throughout Europe and have become a trusted provider of exceptional packaging products.

As well as providing an extensive standard range from stock, we are always happy to discuss specialist options. We can help to define and design bespoke packaging and also advise on closure and labelling options for maximum presentation impact.
